STUDIO GO!

Game Show™

Join us Monday, June 22 through Friday, June 26 (8:45am– 12 noon) for this year's Vacation Bible School! Studio Go Game Show helps children discover Bible stories of people who decided to team up with God and GO! for it! Along with Bible stories, our day will include fun-filled games, yummy snacks, and creative crafts that remind them to GO! lead, GO! risk, GO! tell, GO! obey, and GO! serve. At the end of the day, children will take home the promise that God is with them wherever they GO! For more information or to register, go to www.gracewv.org or call the church at 717-464-2782!

Summer Sunday School is finally here!! Come join us on Sunday mornings during the 9am hour in Room 107! During the month of June, July, and August we will learn about worship, sibling rivalry, and the Beatitudes! Living Inside Out is a large group/small group interactive and high energy program that helps children live their faith from the inside out! Kids will move past applying the lessons, to actually living them!

At 10:30am each Sunday from June - August the children will be led through a part of the Walk thru the Old Testament Seminar with our very own Pastor Al. This program is very exciting and children will learn the big picture of the Old Testament so it will never be a mystery again!
